# 01 GENERAL INFORMATION

Milpark Education is an **accredited institution** that **prepares working professionals** to become Chartered Accountants (CAs). This program is **developed with the guidance** of the South African Institute of **Chartered Accountants (SAICA)** and offers a unique online learning experience. Our approach prioritises support, flexibility, and **interaction to accommodate busy schedules** and lifestyles.

We believe in **creating an engaging and supportive community** where everyone can achieve their goals together. At Milpark Education, we are **committed to helping individuals** succeed by providing guidance and support every step of the way.

## 02 WHAT WE OFFER

We run 3 fully online programmes:

A 3 year BCom in Accounting that provides entrance to our **SAICA-accredited** PGDA/CTA

[View](#)

A 6-month **Bridging programme** that provides entrance into our CTA

[View](#)

A 1-year **SAICA-accredited** CTA that provides entrance to SAICA's first board exam (ITC)

[View](#)

The duration of **each programme above is based** on doing it on the full workload.

If the programme is done on the **half workload** it doubles the duration but keeps overall cost unchanged.

[See section on workload for further details](#)

## 03 STRUCTURE OF OUR PROGRAMMES

We offer a **straightforward** route to learning with instructors who prioritise clear and concise explanations. **Individuals will be exposed** to real-life situations for a well-rounded education.

There are **multiple levels of support available**, including motivation, academic guidance, and techniques for **studying, test-taking** and solving complex problems.

In addition, your staff have the **advantage of connecting** with our alumni network - individuals who have already **succeeded in this program** and are eager to share their experiences.

## 04 HOW WE TEACH

Our **programmes include 1-on-1** live video chat, discussion forums and phone/email support. To **further engage**, stimulating bite-size series of video lectures on all **topics can be accessed**, accompanied with interactive discussion forums.

One to **one weekly small group discussions** are also available in day and evening time slots.

At Milpark we aim to provide **everything and more that candidates need:**

Course content via a combination of videos, text and quizzes

Practice questions and past papers

Approach sessions and advice

Daily live sessions

One on one (and group consultations) whenever students would like to book with lecturers

Yammer community access (similar to social media but closed group with the class and lecturers)

Zendesk (email support)

Study groups / student run groups

Friday afternoon and Wednesday evening non-technical drop in sessions

Mentorship one on ones

We walk with candidates in **assisting them with understanding** which structures best support their needs.

## 05 ENTRANCE CRITERIA

**BCom**

**Bridging**

**PGDA**

## 06 INTAKES

We have **new intakes** for each programmes **every 6 months**, in February and July.

As examples:

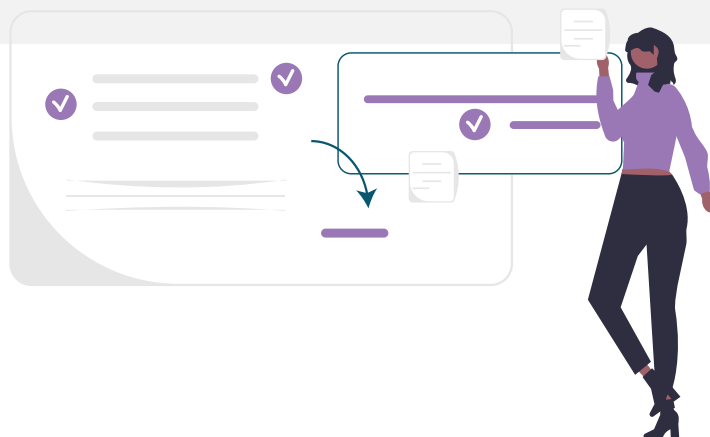

The **January CTA intake** ends in November and SAICA's ITC is written in January

The **January Bridging intake** ends in May and after passing this you progress to our CTA that starts in July

Likewise:

- The **July CTA intake** ends in April and SAICA's ITC is then written in June.
- The **July Bridging intake** ends in November and after passing this you progress to our CTA that starts in Feb.

## 07 WORKLOADS

Our **programmes offer versatility and can be completed** while employed. As they are online, they can be done at any time of day and numerous **individuals undertake** them alongside their job.

It is important to set aside **40 hours a week for studying** and make sure to plan your life accordingly, to have a real shot at success.

If you have a more limited amount of time, **there is also a 20-hour-per-week plan**, where each course will be done across more days.

## 08 WRITING TESTS AND EXAMS

You can do our **programmes from anywhere** in the world, and even change location during the programme.

You have the **choice** to write tests online (via remote proctoring from wherever you are) or at a venue.

01

For remote tests, you need a laptop / PC with webcam and microphone and internet

For venue-based tests, we have 45 test venues around South Africa. We try to ensure that you don't have to travel more than 100 km to a test venue. We also arrange test venues outside South Africa when required. Attached are a list of our current venues in South Africa
