About Milpark Education

We were among the **first private institutions in South Africa** to offer education in advanced management. We have grown since 1997 and become a respected institution around the world.

Our goal is to **free people from their limitations** and enable them to realise their full potential so they can contribute to determining the **course of our shared future**. We will achieve this by offering online learning journeys that are:

Dependable

In-Depth

Holistically
Supported

Easily
Accessible

Revolutionary

Through our four schools-The Business School, School of Commerce, School of Financial Services, and School of Professional Accounting-**we provide 23 certified higher education programmes** and as of 2023 Milpark are, per the **SAICA exam pass results**, the largest producer of qualified Chartered Accountants in South Africa.

Study with the **best and take your future** to new heights with a qualification that opens doors, both nationally and internationally.
