SECTION 1: FIRST LEVEL REGULATORY EXAMINATION:
FSPs (sole proprietors) and Key Individuals in categories I, II, IIA, III and IV (Exam 1)

MODE OF DELIVERY: DISTANCE LEARNING

DESCRIPTION

From 2010, the Financial Services Board (FSB) has conducted the first level Regulatory Examinations (RE) in terms of the Fit and Proper regulations of the FAIS Act. All financial services providers, representatives and key individuals are impacted by these examinations, which are conducted by approved examining bodies. Milpark Education offers various support options for the regulatory examinations. You may select any option, or a combination of options, to suit your individual need.

MILPARK OPTIONS AVAILABLE

1. **Study material**
   
   Study material will be offered in the user-friendly Milpark format and will be couriered to you on completion of the registration process with Milpark.

2. **Three electronic practice examinations**
   
   A unique username and password will be allocated to students after completion of the registration process allowing students three opportunities to practice with questions similar to those set for the FSB Regulatory Examination. These examinations will be Internet-based and students will be able to access the examinations via a standard browser within a 12-month period. Sufficient preparation time should be allowed to study before attempting the practice examinations. Questions are set on a similar basis as those of the official FSB examination and will provide excellent preparation for their examination.

3. **Two-day workshops**
   
   Milpark offers workshops in selected regions. These workshops focus on examination techniques (the approach to Multiple Choice Questions) as well as the content of the selected Regulatory Examination. For corporate clients or small brokerages/groups (minimum 12 students) these workshops can be tailored and offered at company premises across South Africa at convenient times. It is imperative that students have prepared thoroughly for the workshop by working through the material before attending the workshop.

   Students selecting the three practice examinations will be issued with a username and password. **Students who select the workshop option will also have access to a tutor service where individual questions can be posed and answered.**

   Please ensure that you bring your RE training material or copy of the Acts to the training session.
RESEARCH UNDERTAKEN

While historical results are no indicator of future performance, Milpark researched results from numerous FAIS-related modules written with Milpark since 2006. Our research clearly indicates that, despite high quality materials, a tutor help-line and numerous self-test questions, students struggle without face-to-face interventions being provided. Throughput rates have increased significantly when students attended workshops offered by Milpark and it is our recommendation that one of the workshop offerings is selected.

ABOUT THE SCHOOL

Milpark Education offers a range of HEQC conditionally accredited higher education qualifications. The qualifications range from an MBA, two postgraduate diplomas, a BCom and a Bachelor of Business Administration to various Certificate and Diploma programmes. An NQF level 4 Umalusi-accredited qualification, Certificate in Financial Products, is available as well as a number of short programmes.

DISCLAIMER
