MANIFESTO

We know that big life decisions are anything but simple. Choosing to study is one of the biggest. It comes with obstacles and challenges. Early mornings and late nights; financial stress; side hustle; unwavering determination and the strength to say, “I will not quit.”

But at Milpark, you’re not alone. We’re there with you, guiding you, celebrating you, cheering you on, every step of the way. Because to us, education is more than just classes and lectures, assignments and exams.

It’s about you, your life, your growth, your unique and beautiful potential and the value that you bring to the world. That’s why we’re there, day after day, offering meaningful, mutual support and guidance on intuitive platforms designed with you in mind.

We offer so much more than an online education. We’re a community, a learning collective. A place where you’re welcomed by like-minded people who understand you and your journey. A place where you can belong, connect and transform. Where you’ll work towards your goals – and reach them. And before you know it, you’ll leave with more than a qualification. You’ll grow in confidence, knowledge, and possibility. You’ll become more than you’d dared imagine as you shape our collective future. So if you find yourself wondering: “Can I truly succeed?” The answer is a resounding, “yes, yes, YES!” You can and you will at Milpark.

Milpark.
We’ve got you. You’ve got this.

ABOUT STADIO

Milpark is proudly part of STADIO Holdings, an investment company in private higher education, dedicated to widening the access to higher education learning opportunities in South Africa.

ABOUT MILPARK

WHO ARE WE?

Milpark, born in 1997, was one of South Africa’s first private providers of higher education. Today, we’re registered with DHET, offering online higher education in two formats: Distance Learning and Online Short Courses. Our students join us because they want to study in a supportive environment, where they’ll grow in confidence, knowledge, and possibility. Our community is made up of full-time working professionals looking to upskill, study for the first time, or explore a career change; school leavers interested in flexible higher education; and corporates seeking employee training and development. No matter who they are, we help our students work towards their goals - and reach them.

WHAT DO WE DO?

A Milpark online learning journey is a transformative experience where you’ll grow in confidence, knowledge, and possibility, whilst preparing for the real world and the digital future. Accredited programmes in business, commerce, accounting, finance, insurance and banking are facilitated through:

1. The School of Professional Accounting (incorporating CA Connect)
2. The School of Commerce
3. The School of Financial Services
4. The Business School

Our learning pathways can take you from a higher certificate to doctorate and our flexible study options offer unique support for individual circumstances.

MESSAGE FROM THE HEAD OF SCHOOL

WELCOME TO THE MILPARK SCHOOL OF FINANCIAL SERVICES!

The School of Financial Services (SoFS) provides prospective students with qualification paths in the major areas of financial services, from financial planning to risk and insurance, banking, and investment management. Knowing that many of our students need to balance studies with other daily demands, we are constantly looking for better ways to provide suitable support to the student-on-the-run.

Whether you require a qualification to be compliant with the FAIS Act, want to start a career in the financial services industry, want to become a professional financial planner, insurance specialist, investment manager or highly qualified banker - we offer a qualification to suit your needs. Take advantage of courses with industry relevant content that fosters practical application and study online wherever you are!

As traditional financial institutions transform and new competitors enter the market, you need to be equipped with the skills and competencies that prepare you for an ever-evolving world of work in the financial services industry. Join us today and learn from expert academics and financial services practitioners.

Let Milpark Education be your partner on your financial services learning journey.

Warm regards,

David Venter

“With lecturers who are subject matter experts and former financial services practitioners, we want to encourage you to make the right investment in your education and career.”

ABOUT THE SCHOOL OF FINANCIAL SERVICES

WHO ARE WE?

Milpark's School of Financial Services (SoFS) is a school for financial service professionals, run by financial services professionals. We offer high quality, accessible online offerings from entry to postgraduate level, providing a full articulation pathway for students from NQF Level 5 to Level 8 qualifications.

Milpark's SoFS has expertise and experience working with corporate clients to provide bespoke scalable educational offerings which meet both education and compliance needs of the clients it serves.

We equip students with the knowledge and skills they need to lead and excel in the four primary areas of financial services expertise: Banking, Investments, Financial Planning and Risk and Insurance.

We have created an online learning environment that is both flexible and convenient so that you can maximise your unique learning experience. All online support and academic resources – including live classes, tutor services, discussion forums, weekly one-on-one meetings with your lecturer, and additional exercises and recordings – are accessible from any device. You can also contact our student support team or programme managers if you have any questions.

Our online resources are intentionally designed to empower you to progress and achieve your learning and career goals.

Take the step with us today, and start your learning journey towards success with Milpark.

WHY STUDY WITH THE SCHOOL OF FINANCIAL SERVICES?

The financial services qualifications we offer are tailored to meet your specific needs, whether you want to be compliant with the FAIS Act or to start a career in the industry. We offer a full articulation pathway from Class of Business (COB), to Regulatory Exams (RE's) to Continuous Professional Development (CPD) courses to accredited higher education qualifications.

Our course content is industry-relevant and provides you with the opportunity to apply your learning in practice. The lecturers who will guide and support you on your learning journey are experienced financial services practitioners, making you ready for the world of work.

WHAT WE OFFER OUR CORPORATE CLIENTS

Our offerings can be customised to meet an organisation's needs, meaning that our clients can benefit from an integrated solution that aligns with their internal learning and development requirements and strategy. Our tailored support packages ensure that our clients receive the highest level of service and support.

Our industry-leading financial services courses are designed to equip students with the skills and knowledge they need to gain a comprehensive understanding of the financial services industry, and develop the wide range of skills needed to be work-ready in their specific role.

Visit <https://www.milpark.ac.za/corporate-education/#> to learn more about our Learning and Development (L&D) offering.

“We are constantly looking for better ways to provide exceptional support to the student-on-the-run.”

BANKING

HIGHER CERTIFICATE IN BANKING SERVICES

NQF LEVEL 5 – SAQA No: 90843

The Higher Certificate in Banking Services is an entry-level Higher Education qualification designed to equip students with the knowledge and skills required to operate successfully in an entry level position in a banking services institution. The purpose of this qualification is to expose students to current industry-specific content, that will enable them to grow into a junior role in banking.

MINIMUM DURATION

1 year

MODES OF DELIVERY

Distance Learning

CAREER OPPORTUNITIES

This qualification provides exposure to various areas of retail banking, such as sales, retail credit, fraud, etc. Students gain competency in specialist areas of banking, to enable them to further their career in the financial services industry.

Please [click here](#) to read more about the compulsory and elective modules for this qualification.

ADVANCED CERTIFICATE IN BANKING SERVICES

NQF LEVEL 6 – SAQA No: 90842

The Advanced Certificate in Banking Services is a second-level Higher Education (HE) qualification designed to equip students with the knowledge and skills required to operate professionally in a junior level position in a banking services institution. The purpose of the Advanced Certificate in Banking Services is to build on the basic concepts of banking covered in a previous NQF Level 5 qualification. This qualification provides exposure to bank-specific content such as bank management, law and risk management, as well as future-fit content covered in our elective modules which relate to the areas of sales, credit, fraud, compliance, financial crime, and the future of banking which is covered in our *Banking without Boundaries* module.

MINIMUM DURATION

1 year

MODES OF DELIVERY

Distance Learning

CAREER OPPORTUNITIES

After completing this qualification, students will be equipped to pursue junior management roles in retail or business banking. As such, this qualification acts as a stepping stone to further their career in the financial services industry.

Please [click here](#) to read more about the compulsory and elective modules for this qualification.

BACHELOR OF BUSINESS ADMINISTRATION WITH A MAJOR IN BANKING

NQF LEVEL 7 – SAQA No: 61700

The Bachelor of Business Administration (BBA) with a major in Banking is designed to offer a well-balanced exposure to the knowledge, skills and attitudes required to operate effectively in a general management environment within a bank, or as a foundation for postgraduate studies in Business Administration or Banking.

MINIMUM DURATION

3 years

ADMISSION REQUIREMENTS

BBA ADMISSION REQUIREMENTS

If the candidate matriculated in 2007 or earlier: Candidates who matriculated in 2007 or earlier require a Senior Certificate with matriculation endorsement/exemption for degree studies. Candidates who have a Senior Certificate but who do not meet the matriculation endorsement/exemption requirements stated above, may apply to Universities South Africa (USAF), for mature age exemption (<https://mb.usaf.ac.za/>).

If the candidate matriculated in 2008 or later: Candidates require a National Senior Certificate (NSC) with a minimum of 50% in four NSC 20-credit subjects, including English as the language of instruction at Milpark Education, as certified by Umalusi. Candidates who have a National Senior Certificate (NSC) but who do not meet the matriculation endorsement/exemption requirements stated above, may apply to Universities South Africa (USAF), for mature age exemption (<https://mb.usaf.ac.za/>).

Candidates who have completed a relevant Higher Certificate (NQF 5) or Diploma (NQF 6) in the field of business or commerce, may also be admitted to the BBA degree.

BCOM ADMISSION REQUIREMENTS

For entry into any Bachelor in Commerce degree, candidates who matriculated in 2007 or earlier require:

- A Senior Certificate with matriculation endorsement/exemption for degree studies. Candidates who have a Senior Certificate but who do not meet the matriculation endorsement/exemption requirements stated above, may apply to Universities South Africa (USAF), for mature age exemption (<https://mb.usaf.ac.za/>), and

- A symbol of E or higher for Mathematics on HG, or a symbol of D or higher for Mathematics on SG. Candidates who do not meet the Mathematics requirement may be offered admission on condition that they successfully complete the BCom bridging programme, if they have achieved at least a symbol of E on HG or a C on SG in any two of the following subjects:
 - Economics
 - Business Economics
 - Accounting
 - Physical Science or Physics/Chemistry
 - Natural Science or Biology.

If the student matriculated in 2008 or later they require:

- A National Senior Certificate (NSC) with a minimum of 50% in four NSC 20-credit subjects, including English as the language of instruction at Milpark Education, as certified by Umalusi. Candidates who have a National Senior Certificate (NSC) but who do not meet the matriculation endorsement/exemption requirements stated above, may apply to Universities South Africa (USAF), for mature age exemption (<https://mb.usaf.ac.za/>), and
- A minimum mark of 50% for Mathematics or 70% for Mathematics Literacy.

Candidates who do not meet the Mathematics requirement but who have achieved a minimum mark of 50% or higher in any two of the following subjects may be offered admission on condition that they successfully complete the bridging programme:

- Economics
- Business Economics
- Accounting
- Physical Science or Physics/Chemistry
- Natural Science or Biology.

Candidates who have completed a relevant Higher Certificate (NQF 5) or Diploma (NQF 6) in the field of business or commerce, may also be admitted to the BCom degree.

PGDIP ADMISSION REQUIREMENTS

The minimum admission requirement is a relevant NQF 7 qualification (Bachelor degree or Advanced Diploma or equivalent). Depending on the modules completed in the undergraduate qualification as well as work experience, Milpark might recommend certain bridging modules for individuals who need to augment their knowledge on certain subject matters.

FOREIGN STUDENTS

Foreign students who do not hold a South African matric certificate must present a matric verification from the South African Matriculation Board on application.

RECOGNITION OF PRIOR LEARNING (RPL)

Milpark admits a small number of students onto its programme via Recognition of Prior Learning (RPL). Applicants who have relevant work experience and/or training/qualifications lower than NQF 7, will be considered individually by the Head Of School. For this programme specifically, 60 credits can be acquired via RPL for credits. Applications are to be made to the relevant Head Of School.
